OPERATION:

The unit requires 3 AA batteries, not included in this purchase. It is recommended that you place the unit away from you when using as a zapper to draw the insects towards the light.

1. To turn the LED ON, simply press the button. Keep pressing to toggle through the 3 brightness modes. The same button shuts the LED OFF.

2. To turn the UV/zapper ON, simply press the button. The same button shuts the UV/zapper OFF.

3. Prior to cleaning the unit, remove the batteries from the product. Wait 45 minutes for the grid to lose power. Gently use the plastic brush included with your purchase to brush away any accumulating debris.

CAUTION – High Voltage, Keep out of Reach of Children.
CAUTION – High Voltage, Power off unit before servicing.
CAUTION – Collected insects may be a fire hazard. Clean dead insects from the unit frequently.
WARNING – Skin or eye damage may result from directly viewing the light produced by this apparatus.
CAUTION – ELECTRICAL SHOCK HAZARD MAY EXIST IF WATER FROM A GARDEN HOSE IS DIRECTED AT UNIT WHILE IN OPERATION.
CAUTION – Do not stick foreign objects, metal objects or fingers into the unit.
CAUTION – Do not tamper with or modify unit.
CAUTION – Do not clean unit while it is powered on.
CAUTION – Before cleaning, allow unit to sit for at least 45 minutes to release charge from electric grid.
CAUTION - Do not clean or spray the unit with water, cleaning spray, or any other liquid.
CAUTION – Do not submerge unit in water or any liquid.
CAUTION – Keep out of contact with flammable items such as paper or clothing.
CAUTION – Do not use flammable liquids around unit.
