**MOSQUITO ZAPPER**

2-in-1 Charge & Go Zapper with Accent Light

**Owner’s Manual**

**IMPORTANT SAFETY INSTRUCTIONS**

**How to Use the Device:**

1. To start the unit, switch the toggle switch located on the base of the unit to the right.
2. Plug the electrical cord into an outlet. The unit will not operate if not properly plugged in.

**Keep Out of Reach of Children**

**CAUTION**

Drain the contents before disposal or proper storage.

**PRECAUTIONARY STATEMENTS**

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

The Pic® Mosquito Octenol™ lure is intended for use as an attractant with electronic insect killers (‘Zappers’). It is attractive to mosquitoes and other night-flying insects. To be effective, the lure must be used in conjunction with a Pic® Zapper. The Pic® Mosquito Octenol™ lure is ineffective as an attractant when used in conjunction with Pic® Trap® or similar products.

**How to Apply the Lure:**

1. Place a 120VA unit on the top of the Pic® Zapper. The lure is placed on the top of the Pic® Zapper.

**STORAGE AND DISPOSAL**

Non-refillable container. Do not rinse or wash. Disposal: In accordance with the Environmental Protection Agency (EPA) guidelines, the container can be disposed of in a sanitary landfill. EPA Reg. No. 17160-03525.
